

PROGRAMME FOR APMP TCQM Workshop

Date : 23 November 2024 (Saturday)

Time : 09:00 – 17:30 (Time in New Delhi)

Venue : Council of Scientific and Industrial Research-National Physical Laboratory (CSIR-NPLI), India [Room: TBC]

Workshop Chair: Dr Tang Lin Teo, HSA, Singapore

Tea Break & Photo-Taking – Time to be adjusted according to schedule determined by host

Session 1: High accuracy measurement methods for clinical markers

No.	Duration	Topic / Title	Presenters
1	10 mins	Welcome and introduction	All attendees
2	15 mins	Introduction and opening address	Dr Byungjoo Kim, Chair, APMP TCQM / KRISS, Republic of Korea
3	20 mins	Overview of discussions at the TCQM Webinar on 20 September 2024 & feedback from participants	Dr Tang Lin Teo / HSA, Singapore
4	40 mins	The Challenges of Vitamin D Metabolite Analysis by LC-MSMS	Dr Mark Lewin / NMIA, Australia
Tea Break			
5	40 mins	Elements and Biomarkers Measurement (ICP-MS) for Aging Population	Dr Liuxing Feng* / NIM, China
6	40 mins	Accuracy Assessment of Measurements in Dried Blood Spot Sampling for Metabolic Diseases Screening	Dr Ji-Seon Jeong / KRISS, Republic of Korea
7	40 mins	NMIJ's Activities for the Reliable Analysis of Organic Pollutants in Biological Samples	Dr Kazumi Inagaki / NMIJ, Japan
Lunch			
8	40 mins	Certification of Albumin in Calibration Solution and Measurement of Urine Albumin using LC-IDMS/MS	Dr Hwee Tong Tan* / HSA, Singapore

*Attending online

Session 2: TCQM strategy on public health

No.	Duration	Topic / Title	Presenters
1	20 mins	A vision for the future – NMIA Young Metrologist's views on the focus of biological metrology and public health	Dr Diana Wong*, NMIA, Australia
2	25 mins	Overview of the draft strategy plan	Dr Tang Lin Teo, Chair-Elect, APMP TCQM / HSA
Tea Break			
3	45 mins	Discussion on the next steps for TCQM strategy plan on public health	Dr Byungjoo Kim, Chair, APMP TCQM / KRISS, Republic of Korea Dr Tang Lin Teo, Chair-Elect, APMP TCQM / HSA, Singapore
4	50 mins	Discussion on plans for bio-metrology activities within TCQM	Dr Young Kyung Bae, KRISS, Republic of Korea
